According to the video, a plane full of Saudi princes, including the prince who will one day be King, were aboard a private plane. In the video, a man who identifies himself as an “American businessman” wearing a red shirt is seen asking a young man sitting next to him, “Is there any chance I could speak to the Saudi prince?” The young man, who identifies himself as a Saudi prince, tells the man that the prince was on the other side of the plane and that the man should be asking the pilots for an opportunity to meet with the prince. SEE ALSO: Saudi prince said the late Khashoggi was likely poisoned to death, but not on his orders The two men then meet for a few moments, with the man only describing their interaction as “very short.” The video is posted by “Saudi Prince.” Looks like an actual meeting — or rather a brief interaction between @elonmusk and the Saudi Prince. Anyone who wants to see the prince face to face (but can't), should buy an \$800 ticket to
